WHY IS LIFE SKILLS-BASED EDUCATION IMPORTANT FOR ADOLESCENT GIRLS?
- To create positive changes in the attitudes and self-esteem for their empowerment.
- To equip them with the knowledge of and ability to effectively manage issues faced in their adolescence, a crucial time when the mind and body are both undergoing vast transformations.
- To empower them with knowledge of their basic rights and enable them to distinguish right from wrong.
- To provide them with the salient skills for self-protection from social and other evils.
- To nourish their confidence and allow them to express themselves in meaningful and effective ways.
- To create Agents for Change to breed a generation of empowered, skilled and knowledgeable girls to rise despite any obstacles in their path.
