SUBJECT: ACKNOWLEDGING OUTSTANDING CONTRIBUTION FOR THE AMENDMENT OF THE PUBLIC PRIVATE PARTNERSHIP ACT 2010 AND POLICY REVIEW OF THE ADOPT A SCHOOL PROGRAM IN SINDH

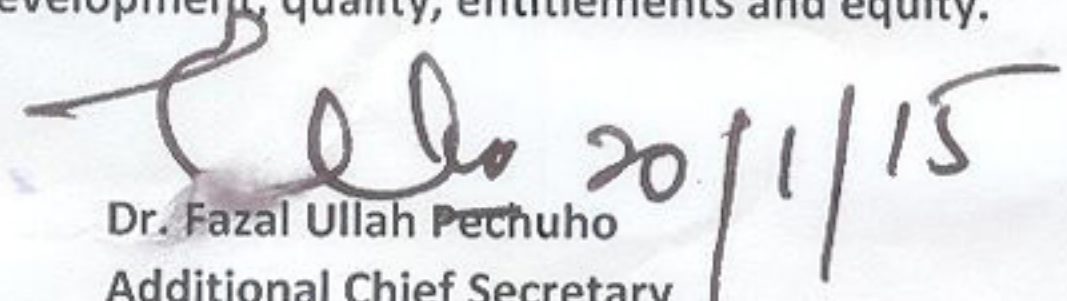

Dear Baela Raza Jamil,

On behalf of the Education and Literacy Department, Government of Sindh, it is my pleasure to acknowledge your Outstanding Technical Contribution to policy, legal and institutional reforms helping us to successfully achieve the Amendment of the Sindh Public Private Partnership Act 2010. Your profound insights and competence in crafting options for the "Adopt a School Policy" in Sindh in collaboration with the Sindh Education Foundation (SEF) and key stakeholders are also very laudable.

Further to our notification on October 31, 2013 (SO(G-III) E&L/PPA/2013), we also place it on record your generosity in accepting to undertake high quality intensive and outcomes oriented pro bono work in the larger interest of the sector and the children of Sindh; this will no doubt go a long way in the history of education. As a pioneer in PPPs for the sector since 1997 when you crafted the first Adopt a School guidelines in SEF your contribution for the social sector have become our building blocks.

No doubt this work was supported by many stakeholders and their valuable inputs during an 8 week fast track process; we duly recognize them in successfully leading to the amendments. These have also pushed the discourse and practical options on the adopt a school policy/programs in Sindh. The support from the Reforms Support Unit and the Sindh Education Foundation (SEF) as institutional facilitators is profoundly acknowledged.

We hope that all PPPs in education and other sectors will benefit from this work and build many constructive outcomes based models much needed for human development, quality, entitlements and equity.
