ESTABLISHING CHILD FRIENDLY LIBRARIES IN Lahore (district)

After completing the meeting of developing a library at (school's name) (district & province), on (date) 10-10-2020.

All the participants agree to the points below for involvement in the project.

1. A room, or a room can be divided, as space for a designated separate library

2. A "library period" for each class once a week can be included in the school timetable.

3. Up to three persons (from librarian, teachers, and principal) can participate in Library management and Reading Activities workshops (3-4 days each workshop).

4. Teachers can provide orientations for other teachers in the school after the workshops.

5. The principal will oversee and support implementation of the library program at the school.

6. The school and community can provide labour to renovate the room to use as the library. If needed, the school and community can provide materials for additional renovations to the wall/ceiling/floor (delete those that are not applicable)
