

DIRECTORATE OF SCHOOL EDUCATION
(ELEMENTARY, SECONDARY & HIGHER SECONDARY)
SHAHEED BENAZIR ABAD DIVISION

No. DSE/ES&HS/SBA/- 12006 Nawabshah, Dated: 03-06-2020

To,

The District Education Officer (ES&HS)
Shaheed Benazir Abad / Naushehro Feroze / Sanghar.

SUBJECT: ESTABLISHMENT OF DIGITAL CLASSROOMS FOR ONLINE TEACHING & LEARNING

Reference: School Education & Literacy Department, Govt. of Sindh, Letter No. SELD/CW/335/2020, Dated: 03-06-2020

I am directed to forward herewith above referred letter. You are required to go through contents of the letter and its enclosure/format and comply in letter and spirit accordingly.

It is informed that School Education & Literacy Department, Govt. of Sindh, Karachi in triplicate collaboration with UNICEF and Microsoft has established online **Digital Classroom Platform for students of Classes VI to XII**. To move forward on this School Education & Literacy Department, Govt. of Sindh is aiming to: **a): Collect District Wise, School Wise & Class Wise Data of Teaches and Students** to setup Digital Classrooms and create email IDs of respective Microsoft Teams (Teachers and Students) **b:) Conduct Large Scale Online Training of Teachers** through the trained Master Trainers.

You are therefore requested to furnish the **Data of all Teachers and Students of Classes VI to XII** as per attached proforma on or before **15th June 2020** in hard (duplicate) and soft to this Directorate for onward submission to the School Education & Literacy Department, Govt. of Sindh, as desired, so that the process could be started by the Department.

MUHAMMAD BUX KHASKHELI 03/06/2020
ASSISTANT DIRECTOR

Copy for information to:

- The PS to Secretary, SELD, GoS, Karachi.

NO: SELD/ CW/ 335/2020
GOVERNMENT OF SINDH
SCHOOL EDUCATION & LITERACY DEPARTMENT
Karachi, Dated: June 03, 2020

To,
The Directors School Education (ES&HS), All in Sindh

Subject: **Establishment of Digital Classrooms for Online Teaching & Learning**

Since all public & private sector schools in Sindh are closed due to the COVID-19 Corona pandemic, everybody has been advised for staying at home. In such grave circumstances, online distance teaching and learning is the only option that can serve the purpose to facilitate our children's continual learning.

School Education & Literacy Department (SELD) in a tripartite collaboration with UNICEF and Microsoft has established online Digital Classroom platform for 6 to 12 graders. This is a contemporary distance education mechanism built with the purpose to facilitate online continued teaching & learning process across the province. As of now, a core group of 75 Master Trainers (MTs – 2 to 3 IT Teachers and TTI Faculty Members from each district) have been trained to conduct online large scale training of teachers to establish digital/virtual classrooms and continue to teach their students. Moreover, a pilot exercise has also been successfully conducted with 81 Teachers, 1980 students of 3 SELD schools to test the viability of the Digital Classroom Platform.

To move forward on this, SELD is aiming to: a) collect district-wise, school & class-wise data of teachers and students to setup Digital Classrooms and create email IDs of respective Microsoft Teams (teachers and their students); b) conduct large scale online training of teachers through the trained MTs. Hence, you are hereby advised to furnish the data of teachers and students as per attached proforma on or before June 17, 2020 to enable us to further expedite the initiative.

Also, please note and clarify among education management staff and teachers that no TA/DA would be admissible to any training around establishment of the Digital Classroom Platform and its utilization or teaching of respective children as it is to provide an option for continuity of basic job performance from remote.

Mr. Zain
Plz. comply

Khalid Hyder Shah

KHALID HYDER SHAH
SECRETARY TO GOVERNMENT OF SINDH

03/06/2020
