Key Highlight of the Year!

Baela Raza Jamil Becomes the Sole Pakistani to Receive Asia Education Medal

Baela Raza Jamil, a trailblazing advocate for education, has been awarded the prestigious Asia Education Medal 2024 by T4 Education and HP, recognizing her four decades of tireless work to revolutionize education across Pakistan. This is a significant milestone, as she becomes the first Pakistani to receive this honor, marking both a national and global achievement.

Another Milestone Achieved!

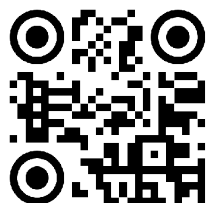

The Ministry of Federal Education and Professional Training has officially announced the Pakistan Learning Festival as an annual event—a remarkable milestone for education in Pakistan!

It is truly inspiring to witness **ITA's SEL/FL (Social and Emotional Learning/Functional Literacy) innovation**, introduced in 2011, now being integrated into mainstream systems and schools. This achievement reflects years of dedication and collaboration to promote meaningful learning experiences for all.

A heartfelt thank you to our incredible teams, alumni, donors, and partners across Pakistan and beyond! Your passion and hard work are the backbone of our mission to educate every child and inspire the love of learning that lasts a lifetime!

for being part of our journey this year.
We look forward to continuing our
collaboration in **2025!**

Warm regards,
Team Idara-e-Taleem-o-Aagahi
